## INCOME ELIGIBILITY FORM

Dear Parents:

Every year Greater Grace Christian Academy applies for grants that can provide teacher training and certain textbooks and supplies. Eligibility for the various grants depends upon a formula for free and reduced priced meals, even though **GGCA does not participate in the meal programs**. As part of the school application process, we are required to collect income eligibility information from parents to determine if the school is entitled to these grants. **Kindly look over the guidelines, complete the form, and initial.**

*Please note that all information will be kept confidential and your name will not appear on the form.*

### How do I use the Income Chart?

- 1) Find your household size and see if your income falls within the range in the chart below. (Circle the corresponding amount).**

*HOUSEHOLD is all persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses and/or income. TOTAL HOUSHOLD INCOME is the income each household member got last month, before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. In certain cases, a foster child may get free or reduced prices meals regardless of your income.*
